A Fresh Take on Patient-Centered Care

We work closely with area hospitals to ensure a smooth, stress-free transition from the hospital to our facility. With a team of physicians and specialists on call when you need them, you can rest assured that your health needs, however complex, are in good hands. Our medical director is on-site regularly, and a wound care specialist rounds weekly to assure effective healing of your wounds.

Homelike Comfort & Amenities

Our beautiful, contemporary building features fully furnished, hotel-like suites that are well equipped to meet your needs. We go out of our way to make our patients feel at home, from serving a morning breakfast that's made-to-order to providing individualized activities tailored to your interests.

Proudly serving the North Jersey area, we welcome patients and residents across Bergen County to our pristine, state-of-the-art center.

Our full spectrum of care includes:

- Post-Operative Care
- 24/ Skilled Nursing Care
- Orthopedic Rehab
- Stroke Recovery
- Cardiology & Pulmonology Consults
- Wound Care
- Infection Control
- Diabetes Management
- Pain Management
- Dementia Care
- Hospice & Palliative Care
- Respite Stays
- Family Support

Utilizing the latest in healthcare technology, we keep our residents and families up-to-date with information provided in real-time.

Here, individuals recovering from surgery or illness regain their strength and independence as they prepare to return home.

Our supportive therapy team is at our patients' side every step of the way as they make life-changing progress – moving beyond what they thought possible.

Our subacute unit boasts a large, state-of-the-art therapy gym, dedicated dining room, family lounge and patio.

Short-term residents benefit from:
